Above models' support is partially unavailable as follows;

- DJ applications and software bundled with all the above products are no longer supported. We do not guarantee all the normal behaviors when using any of the above models.
- Support for the new OS has ended. We do not guarantee all the normal behaviors when using with the latest OS.
- Firmware or driver updates of these products will no longer be available. Adding new features or fixing issues will not be provided, either.
- Security updates for these products are no longer available.
- Depending on the content of your inquiry, we may not be able to provide sufficient guidance, answer or solution.

We apologize for any inconvenience this may cause and sincerely appreciate your kind understanding.
