

Comparative Table of Privacy Policy

Revised on May 1, 2026

New	Old	Remarks column
<p>Anycolor Inc. (hereinafter referred to as "the Company") has established the following privacy policy (hereinafter referred to as "this privacy policy") regarding the handing of personal information (information about living individuals that (1) identifies a specific individual by name, date of birth, or other description contained in the information (including information that can be easily checked against other information and thereby identify a specific individual) or (2) contains a personal identification code (herein after referred to as "personal information")). Unless otherwise specified in this privacy policy, the definitions of terms in this privacy policy are in accordance with the provisions of the Act on the Protection of Personal Information (hereinafter referred to as the "Personal Information Protection Act").</p> <p><Personal Information Protection Policy> Based on the idea that the Company is in a position to show an example for the proper handling of personal information as an entertainment company that contributes to society, we recognize the importance of handling personal information appropriately and have established a personal information protection policy. Our executive officers and employees will work together to comply with this, and will do everything possible to protect personal information and the rights and interests of individuals.</p> <ol style="list-style-type: none"> 1. When obtaining personal information, we will specify the purpose of use as much as possible and obtain personal information to the extent necessary to achieve that purpose. 2. When personal information is obtained directly from an individual in written form, we will obtain the personal information to the extent necessary after notifying the person of our company name, the personal information protection manager's name and contact information, purpose of use, etc. 3. We will use personal information within the scope of the purpose of use for which the individual has given consent. In addition, we will establish and implement procedures to take necessary measures to prevent unintended use. 4. We will manage the personal information we have in an appropriate manner and will not disclose or provide it to a third party without the consent of the individual. 5. We will manage the personal information we hold in an accurate and up-to-date manner within the scope needed for the purpose of use, and take reasonable safety measures against the risk of leakage, loss, or damage of personal information so as to prevent and correct such occurrences. 6. When outsourcing the processing of personal information to an external company, we will oblige the company by contract not to leak or provide the information to a third party and will appropriately manage the company we have outsourced the processing to. 7. We will respond to complaints and consultations regarding the personal information we have, upon receiving such inquiries through our contact. 8. We will comply with laws and ordinances, guidelines set by the government, and other standards regarding the handling of personal information. 9. We will establish a personal information protection management system, review it regularly, and work to improve it on a continuing basis. <p style="text-align: right;">Date of establishment: September 20, 2021 Riku Tazumi CEO, ANYCOLOR Inc.</p>	<p>Anycolor Inc.
