MEDIROM Healthcare Technologies Inc.
Clarifies Nasdaq Compliance Deadline for Form 20-F Filing

TOKYO, Japan, November 11, 2026 — MEDIROM Healthcare Technologies Inc. (NASDAQ: MRM) (the "Company") today announced that The Nasdaq Stock Market LLC ("Nasdaq") has confirmed that November 12, 2026 is the deadline under its previously granted extension for the Company to file its annual report on Form 20-F for the fiscal year ended December 31, 2025 (the "Annual Report") and regain compliance with Nasdaq Listing Rule 5250(c)(1).

As previously announced, Nasdaq's extension letter specified November 11, 2026 as the deadline for the Company to regain compliance with the periodic reporting requirement. November 11, 2026 is Veterans Day, a U.S. federal holiday on which the U.S. Securities and Exchange Commission's ("SEC") EDGAR system does not accept filings. Under Nasdaq Listing Rule 5840(e)(1), a deadline falling on a federal holiday runs through the next business day. Nasdaq has confirmed that the applicable compliance deadline is therefore November 12, 2026.

The Company expects to file the Annual Report with the SEC on November 12, 2026.

Forward-Looking Statements

This press release contains forward-looking statements, including the Company's expectation regarding the filing date of the Annual Report. These statements reflect the Company's current expectations as of the date of this release and are subject to risks and uncertainties that could cause actual results, including the timing of the filing, to differ materially. These risks include delays in completing the audit process and finalizing the Annual Report. Additional risks are described in the Company's filings with the SEC. Except as required by applicable law, the Company undertakes no obligation to update these forward-looking statements.
