REACH Compliance Statement

Product name: Ultrasint® TPU01 for HP Jet Fusion Printer

ID-Number: 908411

REACH compliance statement

The product indicated above is compliant with REACH Regulation (EC Regulation 1907/2006) as all its component substances are

- excluded from the Regulation, and/or
- exempted from registration, and/or
- have been registered by a company of BASF group and/or its suppliers.

Substances of Very High Concern, SVHC

We hereby certify that the here above-mentioned product does not contain more than 0.1% (w/w) of any substance of very high concern listed in the ECHA candidate list in accordance with Article 33 of the Reach Regulation, as updated on January 17th, 2023.

However, since we do not perform specific tests to verify the potential presence of SVHC in our Product(s), we cannot guarantee that there is no trace amount of some of SVHC, as impurity or otherwise, in our Product(s).

Disclaimer:

The declaration is exclusively for our customers and respective competent authorities. It is not intended for publication either in printed or electronic form (e.g. via Internet) by others. Thus, neither partial nor full publication is allowed without written permission by BASF 3D Printing Solutions GmbH.

The aforementioned data or information is based on our current knowledge and experience. In view of the many factors that may affect processing and application of our product, these data do not relieve processors from carrying out their own investigations and tests; neither do these data imply any guarantee of certain properties, nor the suitability of the product for a specific purpose. Any descriptions, drawings, photographs, data, proportions, weights etc. given herein may change without prior information and do not constitute the agreed contractual quality of the product. It is the responsibility of the recipient of our products to ensure that any proprietary rights and existing laws and legislation are observed. This statement does not constitute the legally binding Safety Data Sheet.
